5 Tips about La Royale

- ✦ We only work with the best whole pieces of meat: Wagyu, mature beef, Iberian pork...Every morning mince by ourselves, keeping them at 1°C for preserved all juiciness.
- ✦ We elaborate one by one each burger, to get maximum fluffiness.
- ✦ Finally, we cook in a Josepr grilled oven with charcoal, providing them an unique aroma.
- ✦ Also our bread is part of our own receipts. It is made with butter, to make it ethereal and with an exceptional aroma.
- ✦ Everything served in La Royale is from La Royale.
